

Pre- Conference Workshops of the 19th European Association for Research on Adolescence Conference in Limassol, Cyprus

Wednesday 25.9.2024, 10:00 – 15:00

St Raphael Hotel, Limassol

The EARA Conference Organization Committee, in collaboration with EARA Early Career Researchers, organize Pre-Conference Workshops on Wednesday, September 25th, 2024, from 10 a.m. to 3:00 p.m. The workshops are part of the 19th EARA Conference, 25 – 28, September 2024 [EARA | 2024](https://cyprusconferences.org) (cyprusconferences.org)

All the Pre-Conference Workshops are related to the Adolescent Research Methodology and Research Communication/Presentation. Experts on each topic will guide participants to acquire knowledge and skills very necessary for researchers.

Applicable for: Master students, PhD students, and Early Career Researchers of Psychology, Education and Social Studies.

Registration: You need to register for those workshops through the Registration Portal of the Conference. The fee is 60 euros and includes lunch. More Info on registration is available: <https://cyprusconferences.org/eara2024/registration/>

Topics:

Workshop 1: Qualitative research design and analysis

Eleni Theodorou, Associate Professor, European University Cyprus

Workshop 2: Secondary data analysis across studies: An introduction to cross-study research

Jennifer Symonds, Professor, University College London, United Kingdom

Workshop 3: On Writing Well

Linda Juang, Professor, University of Potsdam

Workshop 4: Introduction to Longitudinal Data Modelling with R

Stefanos Mastrotheodoros, Assistant Professor, University of Crete, Greece
Researcher, Utrecht University, Netherlands

Workshop 5: Mixture Modeling/Person-Centered Analyses for Cross-Sectional and Longitudinal Data

Stefanie A. Nelemans. Associate Professor, Utrecht University, Netherlands

Workshop 6: How to get your message across: Creating a powerful (conference) presentation.

Marlies Maes, Assistant Professor, Utrecht University, Netherlands
